O au au

Aqui você vai encontrar coisas...

Para colorir

Para praticar o A, E, I, O, U

Para conectar

Para escrever a historinha do au au

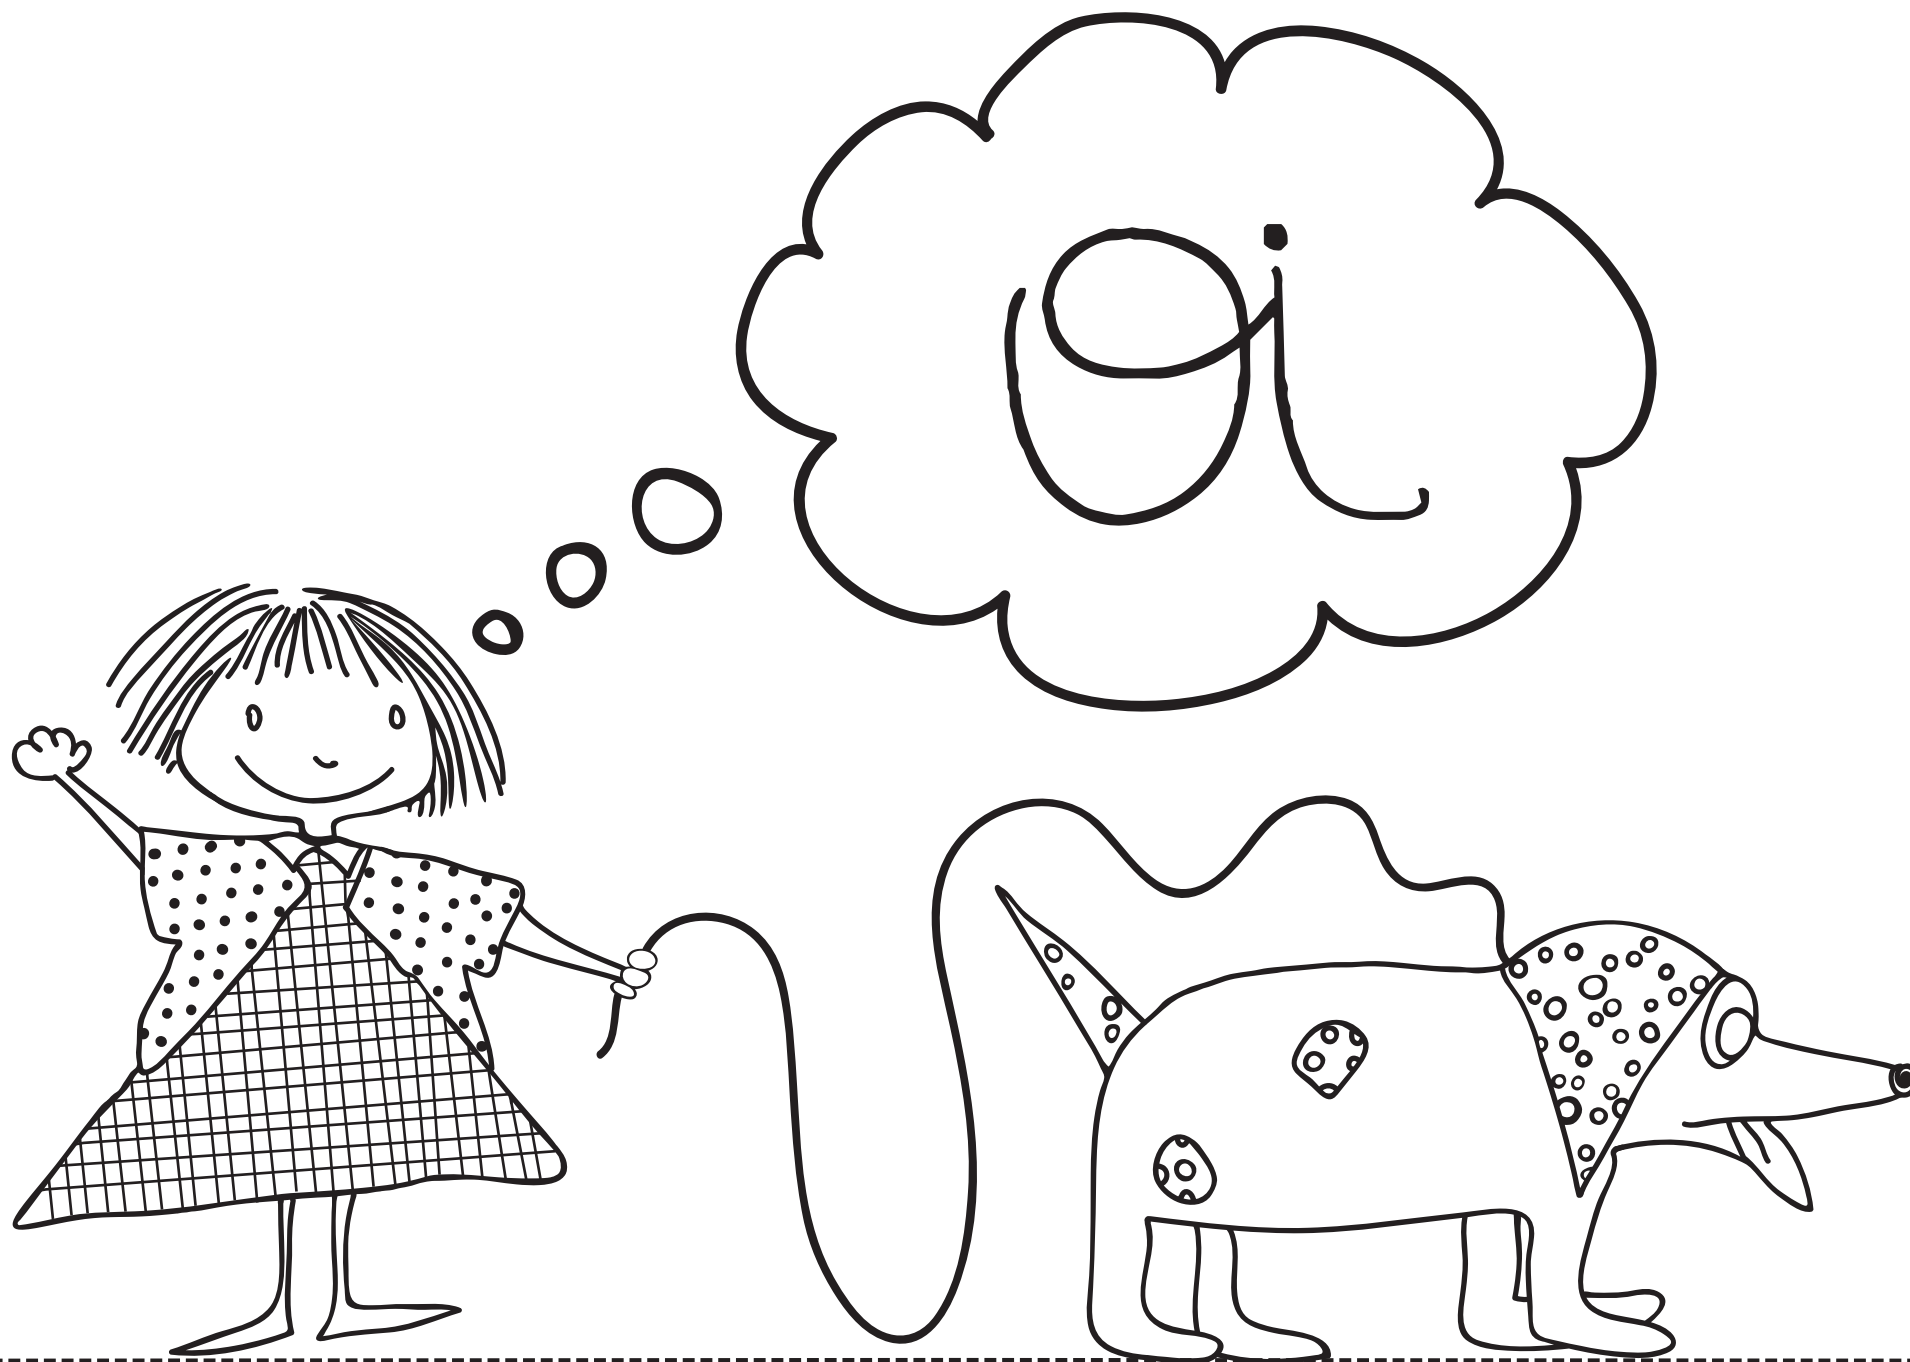

A historinha é toda feita com vogais e não possui pontuação, para facilitar um primeiro contato da criança com o processo de alfabetização.

Muito obrigada pelo download! Espero que goste do au au e que ele traga tantas alegrias para você, como trouxe para mim.
